

TARNAGULLA HISTORY

You are invited to join us for a day of Tarnagulla and District History at the Victoria Theatre, Tarnagulla, from 10.00am to 4.00pm on Sunday, 30 September 2012.

This special day is being held in conjunction with '**Out 'n About in Tarnagulla**', in the new Tarnagulla Community Centre located behind the Victoria Theatre and sponsored by the **Loddon Southern Region Tourism and Development Committee.**

We are a group dedicated to preserving Tarnagulla & District's history. Our members have very long connections with the town and district going right back to the gold rush days. Much of the historic material we have accumulated over the years has been made freely available on websites maintained for Tarnagulla www.Tarnagulla.org and Waanyarra www.waanyarra.com

If you have an interest in Tarnagulla and District history, then we invite you to come and see us at the Victoria Theatre. We'll have samples of our material on display and we'd certainly love to see any photos and memorabilia you may have.

We'll have electronic scanning facilities and cameras available to permanently preserve the history, so bring your photos and pictures of the town and district and your families and any memorabilia. We'll scan or photograph them and where appropriate put them on the Tarnagulla and / or the Waanyarra websites where they will remain preserved and available for everyone to access.

In particular, we have lots of photos of Tarnagulla Reunions, and we need your help in identifying all the people in them. These Reunions were held every few years from the 1930's up until about 1970 and many people will recognise friends and relatives.

Come along and help us to make this a great day for Tarnagulla and District history. You might even want to become one of the 550 or so people who receive free emails and other transmissions.

For the organising Committee: Richard Shiell (Brideson, Aulich and Pallot families), George Swinburne (Comrie and Stobie families), Phil Spencer (Alexander, Lummis), Cameron Clark (Clark, Radnell), David Gordon (Graham) .
